DXIF

Dynamic Active International ETF

Dynamic Active International ETF is a flexible mandate that invests in a portfolio of equity investments from countries outside the U.S. and Canada. In many cases, these equity securities are likely to be lesser known or unavailable for direct purchase by most investors.

- Focuses on companies with a market capitalization over \$5 billion that are profitable, well-financed, and attractively valued.
- Seeks to provide access to high-quality companies in international markets.
- Access to Dynamic Funds' high active share philosophy that seeks to differentiate the portfolio from the MSCI EAFE Index.
