regardless of geographic location, will have an equal opportunity to participate at the Meetings and engage with the Manager as well as other investors in real time. **Even if you currently plan to virtually participate in the Meetings, you should consider voting your shares of the Funds in advance so that your vote will be counted in the event you experience any technical difficulties.**

To participate in a Meeting, shareholders of a Fund will need to visit meet.secureonlinevote.com, and log in using the 12-digit control number included on your form of proxy. The Meeting platform is fully supported across browsers and devices running the most updated version of the applicable software plug-ins.
